American wholesaler of car tints Tint Supply is an American car window tints wholesaler based in Dallas in the state of Texas. The company is relatively new, but has been quickly growing in popularity within the international market. Currently, they serve and cater to markets in more than 190 countries, accommodating both individual orders and bulk orders from car dealers. Some of the wholesale products that Tint Supply has to offer are car window tints with varying warranties from 5 years up to a lifetime, window tints for commercial and residential buildings, window films, tint meters, replacement blades, hard card squeegees, squeegees and handles, chemicals, knives and cutters, sprayers and parts, heat guns, and more. If you are interested in becoming a reseller, or if you are a dealer who does a tinting job on lots of cars regularly and would like to place a wholesale order, you may contact Tint Supply with your product inquiries, quote requests and any other concern via their toll free number, email or by filling out an online inquiry form. You may also opt to drop by their shop on Proton Road.
