American wholesaler of paper sticks Setterstix Corp is an American paper sticks wholesaler based in Cattaraugus in the state of New York. They have been in business for quite some time now, and operate 24 hours a day on a 5-day workweek, producing up to 75 million sticks each day. Setterstix Corp's wholesale paper stick products are best used for lollipops, cotton swabs and other applications where a stick is handy. Their products are chlorine and fluorescent free, independently tested to be 100% biodegradable, and are certified compliant to the USFDA standards as well as other international regulations governing direct food contact. If you'd like to become a reseller or stockist, or would simply like to place a wholesale order for your manufacturing or other business, you may contact Setterstix Corp with your product inquiries, quote requests and any other concern via phone or fax. Alternatively, you may fill out an online inquiry form available on the website to send them an email.
